

K-LOVE radio has been a huge blessing in my life. To be able to listen to Christian music and have positive Christian views broadcast over the radio is an amazing thing. It is so nice to be driving and listen to the calming music and DJ's. K-LOVE radio has affected my community by the things they do and just the atmosphere they provide. We listen to it where I work as well. K-LOVE really affects a lot of people, and it would be a shame to lose it to LPFM broadcasting.
